FROM THE DESK OF MR. KOPP

The cold weather is a good reminder that snow is always a possibility and with snow comes the chance for school and preschool to be closed. You might be wondering how I know what to do or where to look. We have two main ways to communicate that school or preschool has either closed or a 2-hour delay. You can tune into KRCG on your tv or check their website to see if we have closed or delayed. We will also do a robocall to all numbers that we have on file for the school. If you have not received this call in the past and you would like to, please contact the school office.

What is the difference between closing and a 2-hour delay? When we close, we are closed for the day and the school will not offer any services. If we delay, the school will open 2 hours later, but the day will still end at 3. For a 2 hour delay before school care will open at 9 and lunch still will be served at the same time. The preschool will open its doors at 9 and close at their normal time. Overall, the school day and preschool day run normal just that we start 2 hours into the day.

What can I do as a parent to prepare? Snow days happen and for the most part they are never convenient. As a parent please have a plan in place for both situations that could occur. Please make a plan in case we close for the day and another plan if we have a 2-hour delay. There also might be times that we do not close, but you feel the roads are unsafe. As a parent you have the full right to call the school and let us know that your child(ren) will not be in school that day. Also, if you feel the roads are getting bad during the school day you have the right to pull your child before the end of the day. In either case, we will count this as an excused absence.

THANK YOU

We would like to take this time to thank everyone for all of your prayers, thoughts, concerns, cards, phone calls, messages, and food that was made and delivered for us during our struggle and Faye's hospitalization with Covid. It meant so much to our family for all of the support shown during this time. It is so comforting to be a part of a community where God and prayer are a strong factor to everyday living. We couldn't have made it through this without everything.
Thank you all, DeWayne & Faye Doerhoff and Family

THANK YOU

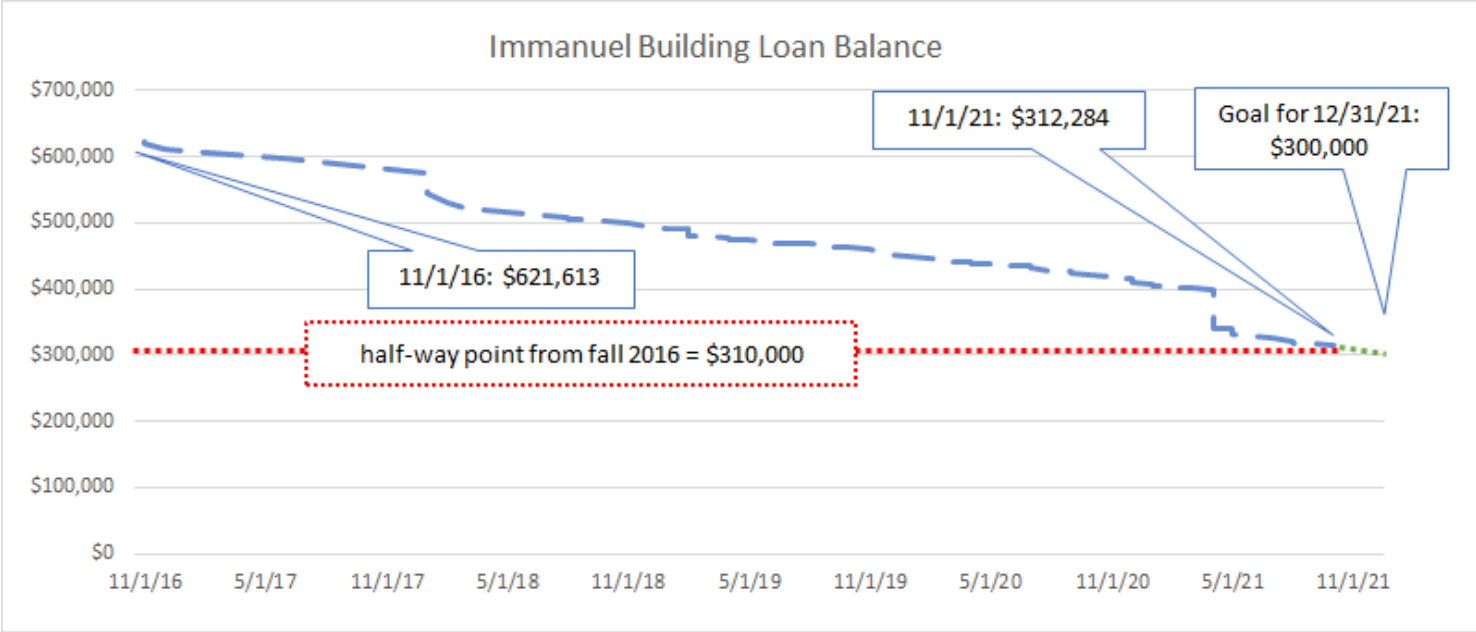
Celebrate Our Progress and Continue Working Towards being Debt Free!

As shown in the graph below, since the fall of 2016, we have almost reduced our debt for the school building expansion in half! Just five years ago, the loan was approximately $620,000. As of November 1st of 2021, the loan balance is now only $312,284! Let's continue marching towards being debt free!



Our continued progress relies on regular monthly contributions to the Debt Retirement Campaign (DRC). The graph below shows how those contributions have been meeting our loan payment amount for only a few months over the past two years. Thankfully, with the congregation dinners and other donations, as well as using our building fund emergency savings account, we have been able to continue making payments and keep reducing the loan balance. Please prayerfully consider contributing to the DRC on a regular basis - any amount helps. If you would like to set up an electronic offering (one-time or recurring), see the information on the previous page.

Praying for Your Spouse

The two most powerful weapons against the attack of lies upon your spouse's mind are ***the Word of God and Praise!***

"The Word of God is living and powerful and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow and is a discerner of the thoughts and intents of the heart." Hebrews 4:12 By speaking God's Word, you can reveal wrong thinking, and it will lose its power. Remind yourself "For God hath not given us the spirit of fear; but of power, love, and of a sound mind." 2 Timothy 1:7 Praise is also a powerful tool because God's presence comes to dwell in our midst when we worship Him. In His presence we find healing and transformation for our lives. "For although they knew God, they neither glorified him as God nor gave thanks to Him, but their thinking became futile and their foolish hearts were darkened." Romans 1:21

Depression, bitterness, anger, fear, rejection, hopelessness, loneliness, rebellion, temptation, evil and many diseases all begin in the mind. God instructs us not to accept as truth everything we think. "I have stretched out My hands all day long to a rebellious people, who walk in a way that is not good, according to their OWN thoughts." Isaiah 65:2 He wants us to share His thoughts. "We (who believe) have the mind of Christ." 1 Corinthians 2:16.

Lets pray for our spouses to receive the mind of Christ and bring every thought captive under God's control. Who doesn't need that?

"The Power of a Praying Wife" by Stormie Omartian.

For the price of eating one meal out a month, you can help a youth raise $150 towards attending the National Youth Gathering in Houston in July, 2022. Here is how the program works:

- Pull a numbered envelope in the church entryway at random and sign your name by the corresponding number on the sponsor list.
- Open your envelope to see which youth God has paired you with. You will find a picture and some information inside about them.
- Take the colored stack of envelopes that correspond to the number that you picked.
- Each month from October through July, you can place your $15 donation in these envelopes and place them in the wooden container by the display. You are welcome to pay a lump sum or break the amount into whatever increments are convenient for you. You can also opt to have $15 a month withdrawn from your account for these 10 months. Please contact Mandy McDonald or Jason Sommerer if you prefer direct withdrawal.
- As a sponsor, you will have the opportunity to get to know your youth, pray for them, and support them monetarily with your donations.
- We will plan to have a "Muffin and Mingle" after church on December 5th so that you can meet your youth. The youth will then pray, write letters, etc…to keep you in the loop on how things are going. They will also send a postcard from the gathering and will invite you to meet with them after the gathering to share some pics and experiences. If you can't meet on December 5th, we can work out another time.
