FROM THE DESK OF PASTOR RESNER

The future seems bright here at Immanuel. The School is growing and the Church is full nearly every Sunday. The future seems bright, but NOW is the time to address our future. As Stewards of God’s gifts, we must manage His Blessings to bring Glory to His Name. And so, we must plan and prepare. Preparation and planning start this Sunday at the Voters’ meeting as we look to increase School staff. Our School and our children are our future, and so, we must plan accordingly.

We also need to assess how we can best manage our growth. While this is quite exciting, we must carefully address what is best for managing our resources. With all this in mind, it is time to get organized and develop short term and long term planning. God has provided us with people who have the abilities and gifts to carry out this task. Please prayerfully consider how we can best manage all the Blessings we have received from a Gracious God.

PREPARING FOR CHURCH THIS SUNDAY

Moses made a bronze serpent and put it on a pole, and all who looked at it were saved from the deadly bite of the poisonous snakes. Jesus tells Nicodemus that just as Moses lifted up the serpent in the Wilderness, so the Son of Man must be lifted up so that whoever believes in Him may have eternal life.

It sounds so simple. Look at the serpent on the pole and be saved. And for us, look at the cross and be saved. But looking at the pole and looking at the cross require faith - faith to believe that what is right before your eyes is for your salvation. Grace is God’s gift. A gift that is received by faith - faith in the One who was lifted up to save the world.

VOTERS MEETING

This Sunday, March 10, 2024, immediately following the fellowship meal. ALL ARE ENCOURAGED TO COME.

THE SPRING SPIRIT WEAR STORE IS OPEN! (Closing date is March 15th)

https://stores.inksoft.com/immanuel_lutheran_gear

This is not a fundraiser and no profit is made from purchases.

Next fall, each student will receive a free t-shirt from PTL (and a store will be open as well).

Usually we have two designs for the store but we have added a third for this one (A 5th grade CMPAL championship memorabilia shirt has been included) Scroll to the bottom. It has each of the team members' names on the back. 🏀

PRO-LIFE NEWS

There is a petition going around collecting signatures to try to put abortion rights (for any reason) on the ballot in the state of Missouri. It is very deceptive. Before signing, become informed!! Ask your usher for a flier that explains what the bill would entail. The flier is published by MO Right to Life and endorsed by Lutherans for Life.

BBQ NEWS

The saying "many hands make light work!" is so so true, especially when we are talking BBQ (and turkey)! We have lots of opportunities to serve and give and the In-Joy Dinner Committee welcomes everyone to do so! God loves a cheerful giver! (2 Corinthians 9:7).

Please find below a link to the BBQ work list and the BBQ Food Donation List. THANK YOU in advance!

- ★ Donations go a long way in the overall profit of the dinners. If you prefer to donate money toward groceries - we will have a donation box set up at church.
- ★ Reminder - you have to have the google sheets app downloaded on your phone to open the links. You can always open it on a laptop or computer though.
- ★ Hard copies are available in church if you prefer to sign up that way.

CALVARY COMMITMENT

Immanuel is one of 6 association churches that own Calvary Lutheran High School since 2005. Together with Immanuel, Calvary provides the opportunity for a PreK-12 Lutheran school experience in mid-Missouri. Along with the other co-owner congregations (Trinity, Jefferson City; Faith, Jefferson City; Grace, Holts Summit; St. John, Stringtown; & St. John's, Schubert), Immanuel has committed to supporting Calvary financially with \$15 per communicant member per year. This has never been a burden on Immanuel's budget, since special offerings are received for this purpose. Please prayerfully consider contributing to this support through a designated gift in the offering plate or participating in the monthly dinners - whose proceeds also go toward this commitment. Thank you for your support of Lutheran education!

Thought For The Day:

THE FAMILY CIRCUS
Bil Keane

"Yesterday's the past, tomorrow's the future, but today is a GIFT. That's why it's called the present."

"How do you divide your love among four children?"

"I don't divide it. I multiply it."

THE SHADOW OF THE CROSS

The cross is indeed the path to glory,
This truly is an ancient story.
One many have heard from their birth,
How God promised a Savior to this dying earth.

It's in this darkened shadow,
That we sometimes feel so low.
In a Savior's loving face we see,
Comfort for our misery.

With His outstretched arms He says to all,
Come closer and I'll catch you before you fall.
Just rest, relax, and respite you'll find,
Confessing not my will, but O Lord, thine.

To live by faith and joyful in hope,
Means to cling to God and you'll be able to cope.
For the blessings and trials along the way,
To God be the glory a Christian will say.

For memories and miracles of each day,
We look back and we can exuberantly say.
I've stood and looked up and did not fall,
The shadow (of the cross) that I see, tells it all.

PRAISE THE LORD FOR A BLESSED JOURNEY of DISCOVERY ending with BLESSED EVENTS!!!

“Holy, Holy, Holy is the Lord Almighty, the whole Earth is full of His Glory.” Isaiah 6:3

GREAT JOB to ALL of the 5-8 grade students and parents! What wonderful scientific studies you have completed about God’s Awesome Creation! Our students had such creative projects of study! Not only did you study some intriguing questions about God’s Creation or substances made and used from God’s Creation, you used the minds God has given to each of you to accomplish your studies! Many Thanks to our ILS parents for supporting and aiding your child with a safe working research environment!

To all of our parents, teachers, grandparents, friends, family and community members who attended our local ILS Science Fair: I, Mrs. Bonnett, Thank You so much! The questions many of you probed the 5-8 graders with were great and increased the excitement for my students, allowing them to realize how really cool, beneficial and educational their work and study was! Your engaging our junior high students to share about their projects helps them develop and strengthen self-confidence, presentation skills, interpersonal relationships, respect for community, appreciation for the scientific methodology, realization of the benefits of hard work and follow through, enhance identification of problem solving skills, and overall gain a greater respect for God and the opportunities He provides!

Nine of our 7&8 graders represented ILCS at the Regional Science Fair at Central Methodist University, Fayette, MO, this past Tuesday. We, ILS, were once again blessed with accolades acknowledging the hard work and scientific discoveries of our students.

Our nine participants in the Regional Science Fair identified with their Scientific Study category and award:

Libby Lehmann- Behavioral/Social Sciences = honorable mention

Arianna Pearre- Behavioral/Social Sciences = 3rd in category

Claireleiss Prohaska- Chemistry = honorable mention

Bryson Carrender- Chemistry = honorable mention
